Dear **[CLIENT'S NAME]**

We are pleased to confirm that your barrels are safely stored and aging in our esteemed distillery warehouses, located at KM 8.3 Carretera Tototlán-Tepa, Localidad San Agustín, C.P. 47733, Municipio de Tototlán, Jalisco, México, in the renowned Los Altos region.

Currently, your barrels hold our exceptional blanco spirit, which, over time, will mature into the highly coveted añejo or extra añejo tequilas, celebrated for their depth and complexity.

This tequila is a true testament to patience and craftsmanship, embodying remarkable flavors and a rich heritage.

We look forward to welcoming you to visit your barrels and experience firsthand the culture and tradition of tequila.
